EDUCATION

Bachelor of Computer Applications

St. John's College

Percentage: 73%

Tirunelveli, Tamil Nadu

June 2018 - May 2021

EXPERIENCE

VSoft Solutions

Software Developer

Tirunelveli

Jan 2025 – May 2026

- Developed **responsive and user-centric web applications**, focusing on performance and scalability.
- Led development of the **VSoft corporate website** using React.js, Material UI, GSAP, enhancing UI/UX, improving layout consistency, and reducing page load time.
- Developed **VConsTech ERP and website**, a full-stack solution using React.js, Node.js, Mail.js, Razorpay, MongoDB and JWT, enabling project tracking, task management, and reporting workflows.
- Built **Math Gym (E-Learning Platform)** with dynamic UI and real-time data handling, improving user engagement across devices.
- Designed and developed a **cross-platform Token Booking Mobile App** using React Native with Node.js, MongoDB and JWT authentication.
- Ensured consistent, responsive UI across web and mobile applications using modern frontend and mobile design practices.

3i Infotech

Associate-Helpdesk Coordinator

Bangalore

Jun 2023 – May 2024

- Provided remote technical support to end-users, resolving hardware, software, and network-related issues efficiently.
- Utilized remote desktop tools to diagnose and troubleshoot problems, ensuring minimal disruption to business operations.
- Managed and resolved IT service tickets promptly, maintaining high levels of user satisfaction and system uptime.
- Assisted in system updates, software installations, and routine maintenance to ensure optimal workstation performance.
